**Video Contest for Troops**

**Topic: “Why I Scout”**

The Membership Team and Council Camporee Committee are teaming up for a contest to encourage Scouts to promote the reasons they are active in the Boy Scouts of America with a Youtube Video Contest. Troops have until March 15 to work in teams to create videos that share their passion for Scouting. The videos should be creative and fun and sell the idea of Scouting to viewers who may see them.

A link to the video must be emailed to abigail.roberts@scouting.org no later than midnight on March 15, 2019. Videos will be viewed for appropriate content and downloaded to a flash drive for viewing at the Council Camporee on April 5, at the Friday night Cracker Barrel. All Scouts and leaders present at the Friday night Cracker Barrel will vote on the videos to determine the winning video. The winners, if in camp, will be recognized during camp with a special reward. The winning video will also be played at the Council Court of Honor.

Financial Tips: Donor Advised Funds and Charitable Giving

A Donor Advised Fund (DAF) is like a “charitable savings account” that allows you to set money aside for charitable giving that you can direct in the future to a qualifying public charity. When you put money in a DAF, your contribution remains in the account until you decide to make grants (donate money) to your charities of choice. These grants can occur as soon as you open the account and fund it and/or at some point in time in the future as you direct. This allows donors to “bunch up” several years of planned charitable gifts into one year for tax purposes when funding the DAF, then grant out the funds over the following years to the ultimate charitable recipients. This benefit among others make these accounts very tax efficient and user friendly, particularly given recent tax law changes.

Previously, DAFs were not allowed to satisfy pledges made by the donor to any public charity. This created challenges for donors and the charities they wished to support because written pledges are often expected and needed by the charity.

Thankfully, the Treasury loosened the rules around pledges in a recent notice, so donors can now feel comfortable signing pledges and then using their DAFs to satisfy those pledges!

With all of the changes occurring in the charitable giving landscape today, knowledge about the options will help you to make your charitable giving dollars go as far as possible. DAFs can be a big help in that effort, so we highly encourage you to work with a competent and experienced financial adviser to ensure the desired results are achieved in your particular situation.

Investing involves risk including the possible loss of principal. United Capital does not provide tax advice. Investors should consult their tax advisor regarding their individual situation.

There is no cost to the Scout and the experience is invaluable. These Scouts serve for one week, working alongside other Scouts from throughout our Council handling a variety of responsibilities and assisting with the running of the entire camp experience. If you have a Scout who will complete 9th grade or above and is interested in joining our team, please give Jay Coy a call at 812-457-8216. We’d love to have you serve along with us!

**2019 OBSR Summer Resource Camp!**

**Sunday, June 2nd - Friday, June 7th**

Our First Year program offers a fantastic “hands on” program, where the majority of the skills and knowledge needed to attain First Class are taught. This important program is led by highly skilled, veteran Scouts that have proven to successfully connect to the younger aged Scouts.

The second, third and fourth year Scouts have a wide selection of merit badge choices, having added several new badges to our program. Leadership growth opportunities for these aged Scouts are everywhere. We'll have new surprises for our unique and challenging Patrol Competition and camp wide games and events. Feedback from Scouters have suggested that the skills and lessons learned from a week of true leadership, responsibility and accountability has helped the growth of not only the Scouts involved, but their respective Troops too.

For our seasoned Scouts (high school and college) we offer even more leadership and service opportunities with our popular Buffalo Boy program. We can provide the kind of challenges and real world leadership experience these Scouts need to fully round out their leadership development. And it's fun too … just ask any of them.

Call the office and ask for one of our Leader’s Guides or contact Jay Coy at 812-457-8216 to learn more about this summer camp tradition and how you can become involved. Help us make a difference in the positive formation of our Scouts.
Buffalo Trace Council would like to thank everyone who has designated gifts to the council through your local United Way. Each gift we receive helps ensure that all Scouts have an opportunity to join and enjoy all the activities provided by Scouting. Your generosity is greatly appreciated!

We would like to extend a special thank you to our United Way partners for their continued support of Scouting!

New Year’s update from the Scout Executive,

Recent reports have speculated on the financial position of the National Council of the Boy Scouts of America, as it may be considering a reorganization. We want to assure you no formal actions have been taken and that Scouting here in Southwestern Indiana and Southeast Illinois is strong. The strength of Scouting for over 100+ years has been its local programs, volunteers and leadership.

The Buffalo Trace Council and the National Council of the Boy Scouts of America are different entities with completely separate finances. We have Old Ben Scout Reservation and the Eykamp Scout Center, and these assets of the Buffalo Trace Council are owned outright, locally. Through years of good financial stewardship, we have built a clean balance sheet, a growing endowment fund and zero long term debt. The Buffalo Trace Council offers great programs for young people.

With your continued support for our local Council Popcorn Sale and the Friends of Scouting campaign, we will continue to offer local scouting programs to an expanding group of truly remarkable young people.

As an organization we must focus upon our momentum we have already experienced this year to ensure the continued ability to deliver Scouting to our communities in which we live.

We thank you for your efforts in 2018 and we look forward to an even better year for Scouting in this New Year of 2019.

Best Regards,

John G. Harding

Your Unit Could Earn Free Rank and Advancement for 2019

If your unit has not scheduled a Friends of Scouting Presentation, do so now by contacting Friends of Scouting Chairman Ted Stoen at 812-319-1148 or Abby at the Eykamp Scout Center. These presentations are about 10 minutes long and can happen at any well attended unit event.

The funds raised through Friends of Scouting presentations help keep local Scouting alive and helps us provide quality programming to youth of all social, economic, and cultural backgrounds.

Funds are used to:
- Provide financial assistance, uniform assistance, and camp scholarships to Scouts with need
- Keep fees low for district and council events like Day Camp and Merit Badge University
- Purchase and distribute membership recruiting materials
- Provide resources and training to adult leaders
- Maintain Old Ben Scout Reservation and Eykamp Scout Center
- AND MUCH MORE!

If your unit holds a presentation and raises $35/active Scout you can earn free rank badges for the rest of the year. (Bobcat, Tiger, Wolf, Scout, Tenderfoot, Venturer, Pathfinder, etc.) If the unit raises $50/active Scout you can earn free rank badges AND free advancement for the rest of the year. Advancement includes belt loops, Webelos pins, merit badges, and Venturing awards.

The sooner you hold your presentation the more your unit can save! Schedule now.

M&M's (Marketing & Membership)
February 1 GIRLS age 11-18 can register for the new Scouts BSA program!!! Watch for SIGN UP FOR SCOUTING events the last week of January.

Fall sports are complete and spring sports have not started so it's the perfect time to invite non Scouts to your unit events!!! Contact your local school or church and ask them to add your event information to their class newsletter, school announcements, church bulletin, etc. Encourage your Scouts to invite a friend to these events!!!

LOG YOUR UNIT SERVICE HOURS

Logging your unit service hours is quick and easy! Go to servicehours.scouting.org and log in or create a new account.

Once you get in the habit of logging your unit’s service hours after each project, it will only take a few minutes to log it.

As of December 7, 2018, 9,443 service hours had been reported. We think we have more hours than that.

Reporting your service hours allows us to track the information and share it with grant boards, and other organizations that provide us with financial support. When we show them how our units contribute to the community, they are more likely to sponsor our efforts in the future.

If you have questions contact Abby or Jennifer.
