Leaving a Legacy with Scouting

Have you ever considered how you can ensure Scouting in Buffalo Trace Council continues for many years to come? There are many ways you can help future Scouts! Gifts can be made through wills, as part of an estate, as an insurance policy, or as a direct contribution to Buffalo Trace Council.

While giving today is extremely important to our work, giving in the future will ensure that Scouting will be vibrant in our communities for many years in the future.

For more information on how you can support Buffalo Trace Council for the future, please contact Jaime Wilder (812) 423-5246 x213 or jwilder@bsamail.org.
Buffalo Trace Council would like to thank everyone who has designated gifts to the council through your local United Way. Each gift we receive helps ensure that all scouts have an opportunity to join and enjoy all the activities provided by the program. Your generosity is greatly appreciated!

We would like to extend a special thank you to our United Way partners for their continued support of Scouting!

“Every Scout Deserves a Trained Leader”

The BSA Learn Center offers leader specific training for every Scouting position, plus all the supplemental, and additional trainings you might need or want to become the knowledgeable, skilled, top-notch leader your Scouts deserve. Whether you’re a member of the key leadership team, the outdoor program chair, the training chair, or a parent who just wants to learn more about the scouting program, the BSA Learn Center has something for you.

You can reach the BSA Learn Center through your Scoutbook page or by visiting my.scouting and clicking on the BSA Learn Center box on the right.

Units are responsible for holding their leaders accountable to stay up to date on training. Consider challenging new leaders and experienced leaders alike to take a training every month to encourage 100% trained leaders in your unit. Offer incentives to leaders who are trained in their current registered position. Perhaps your unit will pay registration fees for the leaders who present their leader specific training certificate. What other ideas can you think of to increase your trained leader percentage?

The Unit Leader, Committee Chair, and Chartered Organization Representative can visit the unit training manager page in my.scouting.org to view your trained leader percentage for your unit and keep track of when Youth Protection Training will expire.

Have questions about training or have computer access problems? Contact your local district professional for assistance, or contact the Council Training Staff Advisor, Jennifer Whitaker, (812) 423-5246 ext. 212 for assistance.

Prefer to have a classroom style training? District training teams should also be available to set up “live” training opportunities for units who would like a hands-on training program. Contact your district professional for more details on how to set this up. Make sure to ask in plenty of time to arrange for the training.

A BIG THANKS to Chair, Brian Conner, and all of the volunteers for making this event so much FUN!

Cub Scout Parent-n-Pal Campout
Scoutreach is in need of DONATIONS!
A grandma of a Cub Scout, who is enrolled in our after-school scouting program at Cedar Hall, had this to say about her grandson’s experience with us, “Boy Scouts has helped so much, especially with these tough moments we have been going through. His behavior has changed, and he is excited for every Monday for Boy Scouts. We are very grateful for this program, not only by helping my grandson, but myself from not losing hope.”

Be a part of the positive impact we are seeing by donating your recyclables and gently used item to assist in the after-school scouting program. The Scouts will be doing a variety of S.T.E.A.M activities to help them acquire knowledge, skills and character that will be beneficial for a lifetime. Our goal is for our Scouts to know that there is hope in this world. *Items can be dropped off at the Eykamp Scout Center*

Have you ever driven past your favorite store, then checked your social media to find an ad in your “newsfeed” from that store?
Congratulations, you experienced GEOFENCING!
In August, the National BSA Council will be providing and employing this awesome social media tool to help spread the word about “Sign Up For Scouting” nights, but we need YOUR help to increase its effectiveness. We need every Cub Scout Pack to provide pertinent information before August 1, 2019 to ensure peak effectiveness. Your District Professional will be reaching out to Packs for this information.

Every unit should take a minute to update their social media accounts: Do the correct people have administrator rights? Is all of your contact information correct? Are your unit’s most popular events documented and made available to the public?
Be sure to check out the Council website and the BSA Brand Center for great social media content. Ask your families to “recommend” your page & write a positive review of your unit.

Let’s make this the best recruitment night ever!

**Fall Recruitment and Membership Training**

The time is rapidly approaching for our annual fall recruitment campaign for Lincoln Heritage District. It is very important that all units are ready and have a plan this fall. Not only do you need to know how to conduct your pack sign up night as part of the multi-night Council recruitment plan, but your pack will also need to learn about how to use social media and other marketing techniques to take ownership of promoting your pack.

We want to see your unit grow, and to RETAIN the scouts once you recruit them for this year’s fall recruitment. Membership Trainings will be held:

- **July 11 @ 6:00 PM** St. Joseph Catholic Church Parish Center, 1029 Kundek St, Jasper, IN 47546
- **July 16 @ 6:00 PM** at Mary Help of Christians Church, 6827 County Rd 675 N. Mariah Hill, IN 47523
- **July 20 @ 9:00 AM** at Eykamp Scout Center, 3501 E. Lloyd Expressway, Evansville, IN 47715

**All times are Central Time**

Topics will include best practices, sample sign up night locations, fall Cub Scout recruitment plan discussion and more. Unit Membership Chairs, Committee Chairs, and Leaders should attend the training. Leaders are invited to share success stories and new ideas that have proved successful recruiting tools. Training opportunities available in other districts if you are unable to attend this one and you missed the one in Poseyville on June 25th.

Make sure someone from your Cub Scout Pack attends one of the summer trainings!

As a leader, YOU ARE CHANGING LIVES, and the more Scouts you have in your program, the more lives you will impact. It all starts when they come to sign up.

Training will cover basic join night best practices, new marketing tools, and unit location and contact details are needed. We need the Unit Sign Up location BY JULY 15th for marketing purposes. We will share why this information was so critical at our trainings.

Recruitments will happen on three different nights this fall, promoted and assigned by community. Principals have already been informed of the new plan. Flyers will be personalized by unit.

Pack leaders, this training is VERY IMPORTANT! Please make sure someone from your unit attends one to learn about the new plan!
